Dear Mr. Miller:

On behalf of the Police Athletic League of Jacksonville, Inc., and the Jacksonville Sheriff's Office, I would like to take this opportunity to express our sincere appreciation for your generous donation of \$100.00 donation to support our P.A.L. programs and the youth we serve in Jacksonville.

The Police Athletic League (PAL) strives to help "at-risk" youth improve their lives and become outstanding citizens. Your dedicated support allows us to continue our mission of providing positive, supervised academic, athletic and intervention programs that help deter crime, which are the key elements to the growth of our communities.

The Police Athletic League of Jacksonville PAL has been helping youth for more than 38 years through educational, athletic and mentoring programs. We continue to grow through the generous support of the Jacksonville Sheriff's Office, private donors and many local dedicated businesses such as yours that are truly kind contributors.

We have many new programs and opportunities for youth planned for the coming years and hope you will continue to support our efforts.

Please do not hesitate to call me for more information on our organization, programs or our fundraising efforts. I can be reached at 904-355-1387 or at email Derrick.Mitchell@jaxsheriff.org.

Again, thank you from the PAL staff and the youth we serve.

Sincerely,

Lt. Derrick Mitchell
Executive Director
