Dear Velobrew,

Each year Special Olympics Duval County continues to advance its mission to over 800 athletes to provide year-round sports training and competition in a variety of Olympic-type sports for people with intellectual disabilities who wish to participate, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in the sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

Special Olympics Duval County also provides many other programs such as health screenings and leadership opportunities to all athletes at no cost to the athlete or their families. We are continuing to grow every year which means the more we grow the more monetary funds we will need to provide ample trainings and competitions for our athletes.

I would like to thank you for your generous donation to Special Olympics Duval County. This money will be utilized for our nine competitions held throughout the year. Thank you for your support of Special Olympics Duval County.

Respectfully,

Donica Hayes  
County Coordinator
