Every Donated Bike Makes You Eligible To Win One Of Many Great Prizes From Trek And The Jaguars

The Jacksonville Jaguars and Trek Bicycle Stores are proud to partner with The First Coast Kids Triathlon in conducting our first-ever Bike Donation Drive. Kids age 5-15 will compete in this exciting event and our goal to collect 50 bikes that will, in turn, be give to 50 deserving kids who would not otherwise be able to participate in the event. While we are looking for bikes in decent condition, we will complete a maintenance and safety check to make sure they are race ready.

Who?	Anyone with a good bike for kids age 5-15
What?	Donate an "extra" bike to make it possible for a less-fortunate kid to compete in their first triathlon
Where?	Bike drop-off centers have been established at Harmony Dental (Downtown); both Trek Stores (Mandarin & The Beach) and The Brooks Family YMCA (Southside)
When?	The donation drive goes through Wednesday, February 24, 2010
Why?	Because a lot of us have a good quality bike gathering dust that has the potential to change a kid's life
